

**PCR is happy to let you know that we fully open at all five sites with the following measures in place**

- Social distancing and protective equipment used by all staff and visitors
- Temperature checks
- Testing, isolating, and contact tracing
- Sanitation at all times
- Use and disinfection of common and high-traffic areas
- Visitors may not enter the facility more than 15 minutes prior to their appointment (30 minutes for naturalization ceremonies).
- Hand sanitizer will be provided for visitors at entry points.
- Members of the public must wear facial coverings that cover both the mouth and nose when entering facilities. If they do not have one, PCR may provide one or the visitor will be asked to reschedule their appointment.
- There will be markings and physical barriers in the facility; visitors should pay close attention to these signs to ensure they follow social distancing guidelines.
- Individuals may also have to answer health screening questions before entering a facility.
- Individuals are encouraged to bring their own black ink pens.

We are happy to answer any questions, please feel free to call the individual site to ask any questions.
